

Mount Bethel Cemetery

A 501(c)(13) Non-profit Organization.

Leave your mark at Mount Bethel Cemetery while ensuring that the memory of your loved ones will be a part of our history. A restored brick pathway in the northeast corner will lead visitors to the most historic section of the cemetery. The original *Brick Graveyard* is the final resting place of Susanna Wright's family, a Conestoga Indian, and Columbia's founding fathers.

The cemetery's first burial was John Deval, who 'dyed' at the young age of 17 in 1730.

Mount Bethel Cemetery is offering individuals a meaningful way to honor those living and deceased. Through our *Bricks in the Brickyard* program, any member of the public can sponsor one or more personalized bricks to be placed within the walkway through the oldest section of Mount Bethel Cemetery. Each brick can be personalized with the names of parents, children, other family members, friends, or beloved pets. Brick sponsors can also choose to customize bricks with quotes or meaningful messages.

Your Message will be centered on up to three lines of text, with a limit of twenty characters per line. Spaces and/or symbols count as letters. Print clearly and carefully. *Inscriptions are subject to approval.*
